

COME FLY WITH ME!

Analyzing Airline Safety Statistics against Automobile Safety

Using a tree Diagram to highlight the number of fatal accidents for both year groups, and compare them against each other

Showing the size of injured persons, against the number of crashes

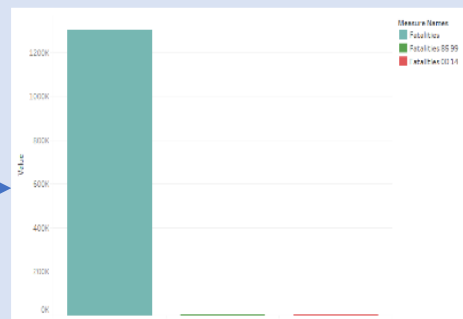

Comparing Fatalities in Automobiles against Airlines

Fatalities	1,302,530
Fatalities 85 99	6,295
Fatalities 00 14	3,109

Fatalities, Fatalities 85 99 and Fatalities 00 14

Comparing Automobile & Airline Fatalities

Analyzing Airline Accident Numbers from 00-14

Incidents 00 14	231
Fatal Accidents 00 14	37
Fatalities 00 14	3,109

Incidents 00 14, Fatal Accidents 00 14 and Fatalities 00 14.
